

# PAVEK AFTER DARK

House on Haunted Hill

Pavek After Dark is the Pavek Museum's annual fundraising event. It features a silent auction and a radio play performed by a cast of Minnesota Broadcasters Hall of Fame members with live sound effects by Foley Artist Katharine Horowitz.

Revenue from Pavek After Dark supports our mission to connect generations by sharing stories of history, art, and technology, inspire innovation through dynamic experiences, and preserve knowledge of the past through historical collections and hands-on education.
